

## EAA Chapter 100 Safety Meeting (Open to Public)

The WINGS program located at [www.FAASafety.gov](http://www.FAASafety.gov), will help you establish your own pilot proficiency program. We will review the WINGS program, and teach you how to navigate this tool.

**Directions:** The presentation will take place in the Dodge Center Terminal Building. Due to limited chairs available at the terminal building, please bring a chair to use at the safety meeting. A wireless lap top computer will be useful for this event, but not required.
